Drs. clerk;

Here is Mr. Ali's Objection to the Court report and recommendation on 10/10/13 by the Court Magistrate Judge Linda B. McCafferty. Her is my object Filed with couple of exhibit, I have more exhibit to file but I do not have enough fund in my inmate account. the NCF would not allow copies to be made without cash fund, the law library I think I all ready informed this Court about these issues. this just another wall build by the NCF to stop the flow of legal paper work. The other thing is that I could not make enough copies for the state responded. Would you please sent a copy of this Objection to the State - if there is any issues, please let me know if I could file extension of time. The dead-line is at the end of this week and is now. I could have fund in my account in order to make these two copies that is require by court rules -

Thank You
